

# Succeed with Independent Study

Finish High School Online

## Flexibility Without the Drama

At Visions, you can focus on your goals, without the drama, peer pressure and rigid schedules found at traditional public schools. We offer flexibility so you can earn your high school diploma while still being able to work and pursue your interests.

## 100% Free Public School

Our students receive tons of free support. Our teachers come to you and school work is completed in our online learning system. We offer counselor support, events, community college opportunities and much more to help our students be the best they can be.

## SAFE FROM BULLYING

I was really scared of being judged. My teacher would talk to me about what I've been through which is something that no one ever did for me. That's what opened up the gates for me to succeed.

## REALIZING ACTING DREAMS

Visions allowed me to create my own schedule and feel a lot more at ease. Looking back this [choice] improved my mental health.

## TEEN MOM SUPPORT

I enrolled in Visions because of the flexibility. I am so glad I came here, I honestly think it was the best decision for me. I had an amazing teacher, who I hold very dear to my heart. I'm not sure if she will ever realize what it meant to me that she saw more in me than just another pregnant teen.
