Finish High School Online

Prepare for College From Home

At Visions, you can focus on your goals, without the drama, peer pressure and rigid schedules found at traditional public schools. We offer flexibility so you can take A-G courses while still being able to work, pursue your interests and prepare for college.

100% Free Public School

Our students receive tons of free support. Our teachers come to you and school work is completed in our online learning system. We offer counselor support, small group meetings, events, community college and much more to help our students be the best they can be.

The Visions Difference

We're a Public School with Perks!

Our students and families enjoy a variety of extra benefits that aren't available at other schools. Our University Prep Academy offers students maximum flexibility in their education.

ACCELERATE YOUR LEARNING

When we came to Visions it was very apparent that the students came first and that I would be able to get personal schooling while moving just as fast, if not faster, than in [traditional] public school.

Hailey Johnson, '14

SAFE FROM BULLYING

I was really scared of being judged. My teacher would talk to me about what I've been through which is something that no one ever did for me. That's what opened up the gates for me to succeed.
