

Succeed with Home School

100% Free Public School

Your Teacher Is Your Partner

Visions has been providing distance learning for over 20 years. At Visions we empower our parents to be teachers. We provide the instructional resources budget, tools and a credentialed teacher to help you succeed. Students in grades TK-8 are provided \$2,700 and 9-12 students receive \$2,900.

Free Resources to Support You

Our Home School families receive tons of free support. Our teachers work with you and help you take advantage of our flexible program, enrichment services, online ordering system and more.

 - ★ Family Budgets - move funds between students
 - ★ Counselor support and free online and face-to-face tutoring
 - ★ Free community college opportunities
 - ★ Private, location-based Facebook groups to help you connect with other families
 - ★ Annual Learning Assessments to build students a personalized learning plan

Student Success Stories

Read about our students and how Visions helped them succeed:

CLARA

Clara has been with Visions since Kindergarten and has taken full advantage of the balance and flexibility homeschooling provides by developing her interests and talents. Using her love for music and math she won an award for her Fibonacci Sequence project.

 [READ STUDENT SPOTLIGHT](#)

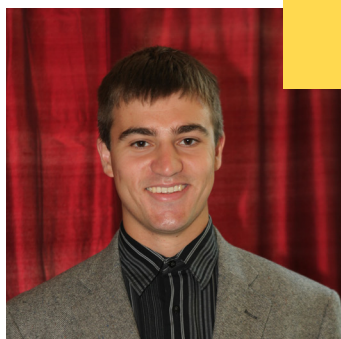

XAVIER

Xavier has a passion for computer coding. Our Home School academy gave him the flexibility and the budget to participate in coding classes and competitions. He won third place in a “hackathon” for his game, Shark Defense!

CHRIS

Chris wanted the freedom to manage his own schedule and the ability to focus on learning subjects that interested him. Chris graduated in 2010 and is now earning his Ph.D while working with the Naval Research Laboratory on robot teams and GPS programming!
