Finish High School Online

Prepare for College From Home

Visions has been providing distance learning for over 20 years. Students can focus on their goals while completing classes online. We offer flexibility so students can take honors courses while still being able to work, pursue their interests and prepare for college.

100% Free Public School

Our students receive tons of free support. Our teachers meet with students virtually or in their community and school work is completed in our online learning system. We offer counselor support, small group meetings, events, community college and much more to help our students be the best they can be.

The Visions Difference

We're an Online Public School with Perks!

Our students and families enjoy a variety of extra benefits that aren't available at other schools. Our University Prep program offers students maximum flexibility in their education.

Flexible Schedule

Allows students to work at their own pace and on their own time

Student Success Stories

Thousands of students have graduated from our online University Prep program. Learn how Visions helped them succeed:

GET AHEAD

For me, it was the flexibility of the program that worked for me the most. I did not have to worry about any community college class conflicts between my Visions classes because it was so flexible!
