

Succeed with Home School (TK-8)

100% Free Public School

Your Teacher Is Your Partner

Visions has been providing distance learning for over 20 years. At Visions our teachers work together with parents to provide each student with a learning plan that is individualized to ensure student growth and success. We provide the instructional resources budget, tools and a credentialed teacher to help you succeed. Students in grades TK-8 are provided **\$2,700**.

Free Resources to Support You

Our Home School families receive tons of free support. Our teachers work with you and help you take advantage of our flexible program, enrichment services, online ordering system and more.

Student Success Stories

Read about our students and how Visions helped them succeed:

CLARA

Clara has been with Visions since Kindergarten and has taken full advantage of the balance and flexibility homeschooling provides by developing her interests and talents. Using her love for music and math she won an award for her Fibonacci Sequence project.
