Prepare For High School At Home

Visions has been providing distance learning for 25 years. Students can focus on their goals, while completing classes online. We offer flexibility so students can prepare for high school from the safety of home.

100% Free Public School

Students receive a free Chromebook to complete classes online and participate in live virtual instruction. We provide a structured schedule to keep students on track. We offer counselor support, in-person events, clubs, and much more to help our students be the best they can be.

We're An Online Public School With Perks

Our students enjoy a variety of extra benefits that aren't available at other schools. Our Online Middle School for grades 7 & 8 offers students flexibility and extra support.

Support Services

Learning at home doesn't mean missing out on clubs, in-person events, and field trips. At Visions, the extra flexibility in your schedule gives you more time to expand your education!

Student Clubs

We have over 50 clubs for students of all ages to choose from. We have something for everyone, including art, soccer, Black Student Union, basketball and more!

"There's so much focus in education on a student's cognitive ability ... but when it comes to who they are that's often overlooked. We really hone in on the whole person." - Brittney P., Visions teacher.

Writing

We offer a creative writing program with 916 Ink, where our students become published authors.

In-person Events

To give our students and families more opportunities to connect we organize free in-person events for all grades throughout our service area.

Enrichment Vendors

Choose from hundreds of approved vendors and use your student budget to learn coding, karate, horseback riding and more.

Structure And Flexibility

To help students stay on track our 7th and 8th grade online middle school offers a structured daily schedule for core classes. After students finish their daily live instruction they have the opportunity to expand their learning.

Mental Health

Visions In Education focuses on the wellbeing of our students. Not only do we provide a personalized education but we also offer services to help students manage their mental health.

Services

Visions is partnered with **Care Solace**, a free online coordination tool that connects students and families with mental health services in their community.

Supportive Staff

We have a full team of **15 counselors, 5 social workers and a Foster and Homeless Liaison** to support our community. This team also organizes online classes and workshops.

Resources

Parents and students have access to tons of digital wellness resources on topics like coping skills, personal growth, dealing with crises and more. Visions also offers a “mobile library” that is brought to our in-person events and a “virtual calming room”.

“We chose home school because we want our children to learn their academics without distractions. Visions has been able to offer our girls the best education and many other extracurricular opportunities.”
- Sherina, mom

Student Success Stories

"If you are struggling or aren't happy because you feel lost or bullied in public school and if you are willing to do the work to be successful, then you should definitely give [Visions] a try."

Darrin, Visions Student

"My daughter is finally doing well academically and excelling! I appreciate this program not only for their excellent education department/team but for allowing me, a single parent, the ability to provide for my child. Thank you Visions!"

Rondale, Visions Parent

"This school becomes family, with excellent teachers and staff always willing to help in any way needed. We love this school."

Tina, Visions Parent

"It was a really cool experience. The teachers here really help and support you to get you where you want to be."
